IDENTITY THEFT INFORMATION

Identity theft is a crime that can happen to anyone and involves your personal information being stolen through methods as simple as stealing your documents or as sophisticated as “phishing” or spyware.

What To Do Right Away

Step 1: Call the companies where you know fraud occurred.

- Call the fraud department. Explain that someone stole your identity.
- Ask them to close or freeze the accounts. Then, no one can add new charges unless you agree.
- Change logins, passwords, and PINs for your accounts.

You might have to contact these companies again after you have an Identity Theft Report.

Step 2: Place a fraud alert and get your credit reports.

To place a fraud alert, contact one of the three credit bureaus. That company must tell the other two.

Experian.com/fraudalert

1-888-397-3742

TransUnion.com/fraud

1-800-680-7289

Equifax.com/CreditReportAssistance

1-888-766-0008

A fraud alert is free. It will make it harder for someone to open new accounts in your name.

You'll get a letter from each credit bureau. It will confirm that they placed a fraud alert on your file.

Get your free credit reports from Equifax, Experian, and TransUnion.

Go to annualcreditreport.com or call 1-877-322-8228.

Review your reports. Make note of any account or transaction you don't recognize. This will help you report the theft to the Federal Trade Commission (FTC) and the police.

Step 3: Report identity theft to the FTC.

Go to:

IdentityTheft.gov

or call 1-877-438-4338.

Include as many details as possible.

Step 4: Contact the Mills County Sheriff's Office to report the issue. (325) 648-2245

Your Law Enforcement Report

(20) One way to get a credit reporting agency to quickly block identity theft-related information from appearing on your credit report is to submit a detailed law enforcement report ("Identity Theft Report"). Ask an officer to witness your signature and complete the rest of the information in this section. It's important to get your report number, whether or not you are able to file in person or get a copy of the official law enforcement report. Attach a copy of any confirmation letter or official law enforcement report you receive when sending this form to credit reporting agencies.

Your Affidavit

(22) If you do not choose to file a report with law enforcement, you may use this form as an Identity Theft Affidavit to prove to each of the companies where the thief misused your information that you are not responsible for the fraud. While many companies accept this affidavit, others require that you submit different forms. Check with each company to see if it accepts this form. You should also check to see if it requires notarization. If so, sign in the presence of a notary. If it does not, please have one witness (non-relative) sign that you completed and signed this Affidavit.
